AND SO THE ADVENTURE BEGINS... FOR JUDY SCHRECEMGOST!

The Walnut Public Library is both sad & happy to announce that Judy Schrecengost will be retiring on March 30, 2019 after almost 20 years as the Assistant Librarian.

Judy has been a great asset to the library and community. She has been wonderful at advising patrons on what books they may find interesting and she is always willing to help find reference information for people with questions. Her artistic ability has shown thru in countless art projects for children and the ways she finds to decorate the library, bulletin boards, windows, and display cases. Judy always has a friendly smile and a nice word for everyone who visits the library.

As hard as it is to see her leave the library, we know that she will enjoy her free time to spend with her husband, John, and her family. Please stop by the library this month to wish Judy a happy retirement!
